

## Subscribe to our Weekly Newsletter

Thursday, 21 August 2008

I have just added a Weekly Newsletter facility to Photolectic which I think has been one of the missing feature of this site for a long time. By subscribing to our newsletter, you will receive the latest news and the summary of the week plus useful links that are not even going to be published on Photolectic, a special threat to our subscribers. All you have to do is to fill in the form on the top right-hand coner of this page with your name and e-mail and push the Subscribe button!
