

Canon White Paper on 50D and 5D Mark II

Wednesday, 17 December 2008

Canon USA has published a white paper explaining the technology found in its latest DSLRs; EOS 50D and EOS 5D Mark II. If you are interested in the details of the technology that is lying behind these two great cameras, the 77-page White paper (PDF) is available for download [here](#).

You can also find all other white papers published by Canon Since 2004 [here](#).
